Letter No. 24401 dated the 14th March 1947 from the Chief Electrical Engineer.

Requests sanction of Govt. for the appointment of a Miscellaneous Clerk cum Steno-typist in grade Rs 30-3-60 + Stenography allowance of Rs 15/- per mensem for Hassan Sectional office

The reason for this additional appointment is heavy typing work in the Sectional office. It is not clear from the letter of the C.E.E. as to why it is necessary to provide for an additional Stenographer to cope up with the increased typing work, when an ordinary typist could do for this job on the grade of Rs. 30-3-45. The C.E.E. proposes to utilise the services of this additional Stenographer for miscellaneous works also.

2. A proposition statement duly verified by the Auditor, Electrical Dept. is also forwarded. Submitted for orders. Financial concurrence is required to the proposal.

10) While 1 Stenographer and 1 Typist have been sanctioned for the Chickballapur section, only 1 Stenographer has been sanctioned for the Hassan section. It is seen from the particulars furnished by the CRR. in his letter No. 35123 d 28th May '47, that the typing work of the Hassan section is almost as heavy as that of Chickballapur. I, therefor, agree with the CRR. regarding the necessity of a clerk cum Stenographer on Rs 30-3-60 plus Stenographer's allowance of Rs 15 p.m. for Hassan section, & the proposal of the CRR. may be sanctioned as a permanent measure.

To

The Secretary to Government,
Electrical Department,
Bangalore.

Sir,

Additional Ministerial Establishment for Hassan Sectional Office.

I have the honour to state that one Stenographer in grade Rs.30-3-60 was sanctioned in the Reorganisation for Hassan Sectional Office. It is more than two years since the Sectional Office was formed and the correspondence work has been on the increase all along owing to the large demand by the public for power supply to various purposes. The work of typing the letters issuing from the office, the estimates, statements and other periodical returns to be sent by the Sectional Office to this office and to other Departments of Government is now being handled by the only Stenographer who has been complaining of heavy work. Moreover, heavy typing work not only tells upon the health of the typist but gives room for deterioration in the standard of work and the consequent irregularities and delay. It is therefore found necessary to provide adequate assistance to the Stenographer at Hassan in order to ensure a prompt and correct disposal of the correspondence passing through the office.

Under the circumstances, I would request you kindly to obtain sanction of Government for the appointment of a Miscellaneous Clerk cum Stenographer in grade Rs.30-3-60 plus Stenography Allowance of Rs.15/- per mensem for Hassan Sectional Office. The recurring extra cost of Rs.65/- per mensem or Rs.780/- per annum will be suitably provided for in the Revised Budget for 1946-47, and Budget Estimate for 1947-48 and future years under "XXVA Hydro-Electric Works - Net Receipts - 1. Power -

(P.T.O.)

Working Expenses - 4. Distribution - 7 Hassan Power and Lighting Section - 2. Establishment." A verified Proposition Statement, in duplicate, is herein enclosed for the information of Government. The old grades sanctioned in the Reorganisation have been shown in the Propsotion Statement as sanction of Government has not yet been obtained for the Allocation and Proposition Statements in respect of revision of grades approved in G.O.No.Fl.3002-70 S&A 59-46-2 dated 26-10-1946. c)
